Torture | Realities & Consequences

April 6, 2019 • 11AM to 12PM

Meet our community partner, **Survivors of Torture**, for a discussion on their holistic, client-centered care for survivors of state-sanctioned, government-sponsored, and politically motivated torture.

Explore how you can promote just, peaceful and inclusive societies by reducing all forms of violence and related death rates locally, nationally and globally. **#SDG16**. Reiterate Article 5 of the Declaration of Human Rights that "No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment."
